There was a day that i went there with my friend that just returned back to Nigeria, immediately we entered, my friend went straight to order for food so i sat down, so after they served him he called me to come and make my choice Omo dis people snubbed me 😬😬😬, But immediately my friend asked "hello who is less busy like 3 girls came asap 😂😂😂, cause he made hair and had tattoo Omo 🧑💔

My anger issues can never allow me face such humiliation for my own money are they the only one selling food in Enugu hmmm it can never be me..normally i don't like going to restaurants where they're plenty people i don't have such patience to be on the queue.

Mama onyinye is the best. Her staffs are very jovial.

2-19

NTACHI has horrible customer service!

2-20

You haven't experienced chicken republic??? 😊

2-18

Is true have stopped going there especially the one in bisala road

2-18

I stopped going there for a long time cos I experienced this 3 good times and I'm short tempered and wouldn't want to mess myself up outside

2-18

I think their general problem is customers being ignored for so long sha especially when their staffs are tired Nd over stressed

2-21

Especially that new heaven branch , I've experienced it too.

2-18

I experienced it ,i just had to buy sandwiches instead of food i came for

3-13

 Very rude set of workers so annoying

2-18

  The same thing happened to me last month 😞😞 I went with my husband to get food, on getting there people where not much so we order for food and went to sit down omo nah so they bring my hubby food and they don't bring mine my husband have to go over and over again before they start dishing out my own immediately I saw that my husband wants to pay I walked up to him and asked not to pay that am no longer hungry nah so the girl para that y don't I say it before she dished the food and I told her I wanted to stress her the way she stressed me she didn't say anything again and we left.

2-18

It's true o... u need connections to get food there that's y I stopped going, and they use to sell spoilt food too, I got tired of their rubbish

2-18

   My own is there should have branche in agbani road

2-18

 EVEN THE NTACHI IN 82 DIV omoo 🤔🤔🤔 my eye saw shege that day, i didn't buy from them till i left that hospital

2-18

thanks for speaking up. being served as a lady in ntachi is by connection. I almost left there without food today if not for hunger. 😊😊

2-18

I experienced this first hand on Monday I went to get food and they didn't have what I wanted so I decided to get pop corn . I told the lady to package pop corn so I now did transfer to her so I noticed that she was you know shuffling something with someone else and then I gave her that Grace because business can be crazy sometime. another guy came and he said he wanted that he wanted milky donuts girls stood up left my order and wanted to pack his own so I asked her are you okay? is something wrong with you I've been standing here I can be standing here long before this guy came and you just want to serve him now I was like what sort of behavior is that and she was like oh that she's sorry and I said that's none of my business please just pack my order and give me let me go mind you have already done transfer for her o

2-18

I prefer Ntachi at paschal than New Haven....paschal shawarma is sweeter too. If you're a lady they won't serve you at New Haven

2-18

That's why I stop going ooo but I will send my brother

2-18

I nearly display craze on my on day, i for climb that food counter but the girl respected herself and refrained from serving the guys she wanted to serve before me.

3-1

2-19

Na true. I no dey follow anyone drag line, I go jus stand na them go ask me wetin I want and I dey tip oo. 😂😂

2-19

💜🦋
I will rather eat street food under umbrella than enter Ntachi new heaven branch 😞

2-19

Exactly how they left me to serve another man when I came before him last year, and that was my last time there. Especially that Bisala branch

2-18

Thinkers corner own no dey like that I no Dey go that new heaven own again

2-18

It can never happen to me ,, I go change am for that particular person aje

2-18

me wey no get patience?? i go just Change am for am.

2-18

I stay in New Haven and believe me their staff are very very rude !!! Until I go to that
besala branch Omo their staff are excellent!! New Haven branch can do better

2-18

Mama pls order from me ,I do deliveries anywhere in Enugu ,my location is monarch ,you

2-18

Some of there female staffs are very rude

2-17

the worst is when you order online . omo u will stay like 3-4 hrs be4 d rider will even call
u

2-19

lol it feels like you're even wasting your time, they don't correct them,I got tired of going
there cos of the whole drama

2-18

They serve my husband bigger portions of food there way more than when I do. I don't
bother anymore

2-18

In as much as people are still trooping in there, they don't realize how many customers
they have lost fr. I went to but food from ntachi (new heaven) was so sick and barely
standing, this people ignored me till the meal I wanted finished and you think I will go
back there?? 😞

4-1

👤

New heaven is worst

2-18

👤

Omo this ntachi osa staffs bad behavior done reach sm so...abeg ndi Enugu make una book me for all kinds of professional cleaning and fumigation make I Dey see money dey cook for my house abeg 🙏

3-19

👤

@Ntachi-osa work on your staff

2-18

👤

Very true!!! Especially d female servers. Well I no de go there again, I don't like what I hate.

3-8

👤

Especially if u follow man go there Omoh them go dey look u like say u been get issue with them?very anyhow bunch of people

2-23

👤

the staffs selling the shawarma can be so rudeeeee it's annoying

2-19

👤

That's very true. I've experienced this a lot and it's so annoying

2-19

👤

It's true 😂😂😂 and them dey always smile with men 😂😂 then when it gets to there fellow gender they will automatically turn rude

2-18

👤

Very unhealthy mannerless set of female workers very ignoring people

2-18

👤

na so I follow my guy enter there oo,,cuz I complained that I was hungry so took me there. i go dey try ask one mumu girl that serves there questions so I can place my order she won't respond but immediately my guy asks anything she answers 😞😞😞 I vex tell my guy that we should just be going before he got angry and started yelling at the girl that she should take my order

3-5

 delight shawarma female workers are the worst 😞 those girls made me to stop getting shawarma from them and that's the only shawarma I enjoy eating 😞😞

2-19

 My dear they have bad behaviour!!! But as a girl just go to the male staffs to serve you they will listen to you faster than the female staffs

2-18

I don't think it's gender based issue cos these workers literally did same thing to me the last time I visited Enugu and it's not even once, seems they look face before serving you cos I saw these guys serving people that came after me.

4-2

No be lie cus them don do me wella , they will serve the young guy and men then you will see some not busy yow will be begging them to serve they'll say I'm coming just going up and down next once they sight man na them go first straight to the guy or man and ask the person what you want while me I was standing. same with payment side .

2-19

Especially female to female 😞
